Registration Dates for 2017-2018 School Year

Online Registration Opens	Saturday, July 15, 2017	Online
<u>Open to all Schools ~ Early Off-Site District Wide Registration Locations</u>		
Lombard Site Registration	Wednesday, July 19, 2017	4:00pm-6:00pm
Steele Site Registration	Wednesday, July 26, 2017	4:00pm-6:00pm
<u>Open to all Schools ~ District Wide Registration at the GHS Field House</u>		
District Wide Registration	Wednesday, August 02, 2017	9:00am-4:00pm
District Wide Registration	Thursday, August 03, 2017	11:00am-7:00pm

No registrations will occur at the home schools on the above dates.

As stated above, on-line Registration dates for current District #205 students will begin Saturday, July 15, 2017. Please note: you are not considered completely registered until your payment and required paperwork has been received.

Families completing their online registration prior to **August 2nd** and wanting to avoid the lines, may drop off their forms (physical/dental/vision/certified copy of the Birth Certificate) and payment by bringing them to GHS front office during their regular summer business hours of 8:00am - 3:00pm Monday - Friday.

Classes are filled in a first come, first served basis with those that have completed their registration. If overcrowding exists at a particular school, those families who complete the on-line registration process (**including payment of all fees and required paperwork, physicals and vaccination record as well as birth certificates**) will have a much greater chance of retaining a spot at their child's home school. Those who have **not** completed registration on-line will be taken on a first come, first served basis after those that have registered on-line.

****Two Day District Wide Registration**** at the GHS Field House (1242 W. Dayton Street)
August 2nd from 9:00am – 4:00pm and August 3rd from 11am – 7pm.

For those who have already registered on line, this two day District Wide Registration is available for you to pick-up/drop-off any school mandated items (e.g. physical forms, dental forms, vision form, fee waivers, and Certified Copy of Birth Certificate). You will also be able to pick up bus information, and be able to make fee payment (if not pre-paid).

For those who are new students or do not have access to a computer or internet, we will have a computer lab set up at all of the above registration sites so you may register your child through Skyward Family Access. There will be a staff member available to assist you with this process.

We at District #205 hope to continue to make the registration process convenient and easy for all by implementing on-line registration. If you have any questions please do not hesitate to call your school.
