Registration Dates For 2016-2017 School Year!!

July 18th - August 7th

On-line Registration open for all current District #205 students.

(Computers are available at Goodwill ~ 1931 Grand Ave. or Galesburg Public Library ~ 40 East Simmons St.)

Aug. 9th, 9am - 4pm & Aug. 10th 11am - 7pm

***** NEW THIS YEAR – Two Day District Wide Registration at the GHS Field House *****

On these dates you will be able to Pick-up / drop-off paperwork for those that did the on-line registration. You will also be able to register any new student for those families who do not have access to a computer/internet.

- No Registration will occur at home schools.

On-line Registration dates for current District #205 students will be July 18 through August 7, 2016. Please note: you are not considered completely registered until your payment has been received.

Families completing their online registration prior to **August 7th** and wanting to avoid the lines, may drop off their forms (physical/dental/vision/free-reduced/certified copy of the Birth Certificate) and payment by bringing them to GHS front office during their regular summer business hours of 8:00am - 3:00pm.

Classes are filled in a first come, first served basis with those that have completed their registration. If overcrowding exists at a particular school, those families who complete the on-line registration process (including payment of all fees) will have a much greater chance of retaining a spot at their child's home school. Those who have **not** completed registration on-line will be taken on a first come, first served basis after those that have registered on-line.

****Two Day District Wide Registration**** at the GHS Field House (1242 W. Dayton Street)
August 9th from 9:00am – 4:00pm and August 10th from 11am – 7pm.

For those who have already registered on line, this two day District Wide Registration is available for you to pick-up/drop-off any school mandated items (e.g. physical forms, dental forms, vision form, applications for free/reduced lunch, fee waivers, and Certified Copy of Birth Certificate). You will also be able to pick up class(s) assignment, bus information, and be able to make fee payment (if not pre-paid).

For those who are new students or do not have access to a computer or internet, we will have a computer lab set up so that you may register your child through Skyward Family Access. There will be a staff member from each school available to assist you with this process.

We at District #205 hope to continue to make the registration process convenient and easy for all by implementing on-line registration. If you have any questions please do not hesitate to call your school.

Sincerely,

Ralph Grimm
Superintendent
